PSAT/NMSQT® Practice Tests Now Available

The Preliminary SAT®/National Merit Scholarship Qualifying Test (PSAT/NMSQT) offers high school sophomores and juniors an authentic preview of what they can expect on the SAT Reasoning Test™. But it is much more than an SAT practice test. For the million and more college-bound students who take the PSAT/NMSQT each year, the test officially signals the commencement of the college preparation process.

More than just a preview of what and how students might expect to perform on their SAT, PSAT/NMSQT score reports offer a glimpse of how students might fare against the students who they'll be competing against nationwide during the college application process. And, as an added incentive, high school juniors who excel on their PSAT/NMSQTs may qualify for the coveted National Merit Scholarship, a prestigious accolade on any college application.

The **LearningExpress PSAT/NMSQT Practice Tests** offer students the essential practice they need to perform their best on this important gateway to the college admission process.

We offer two full online practice exams that duplicate the format, content, timing, and scoring of the official PSAT/NMSQT. Each of our complete practice exams is comprised of three individual tests that measure **writing skills**, **critical reading skills**, and **math problem-solving skills**.

Each PSAT/NMSQT Practice Test offers:

- A complete **multiple-choice** practice exam designed to **familiarize students with the content, format, and timing** of the official PSAT/NMSQT exam
- **Authentic practice** for each section of the official exam
 - **Identifying sentence errors, improving sentences, and improving paragraph questions**
 - **Sentence completion and passage-based critical reading questions**
 - **Multiple-choice questions and student-produced (grid-in) responses**
- **Instant online scoring and detailed answer explanations**

Quick Facts about the PSAT/NMSQT:

- According to the College Board, 1,553,731 juniors and 1,393,801 sophomores took the PSAT/NMSQT in 2006.
- The PSAT/NMSQT is administered twice in October of every year.
- Juniors who qualify for National Merit Scholarships typically have scores that fall within the 95th and 99th percentiles.
