

LearningExpress's Plumber's Licensing Exam Practices

Whether you are just starting out in the plumbing trade or are a seasoned veteran looking for career enhancement, successful completion of your local journeyman or master licensing exam is an important career step. The goal of both exams is two-pronged: (1) to test knowledge and (2) to determine whether applicants can apply plumbing codes in real-world situations.

The **LearningExpress Plumber's Licensing Exam Practices** offer journeyman and master candidates the essential, authentic practice they need to perform their best on either the Journeyman or Master licensing exams.

We offer two online practices that test UPC and IPC code knowledge as well as the essential trade theory tested on *every* licensing exam, regardless of state or municipality.

Each Plumber's Licensing Exam Practice offers:

- **85+ multiple-choice** questions designed to **familiarize examinees with the content** of their local Journeyman or Master Plumber licensing exam
- **Instant online scoring** and **detailed answer explanations**

The following Plumber's Licensing Exam Practices are now available:
